

Vote by Mail Information for the September 6, 2022 State Primary Election

VOTE BY MAIL INFORMATION

You do not need an excuse to vote by mail again this year. **The last day to request a ballot be mailed is August 29, 2022 at 5 pm.**

To vote by mail, all you need to do is:

1. **Complete** a [Vote by Mail Application \(PDF\)](#); (Note: you may also send a letter that says you are requesting a VOTE BY MAIL BALLOT, your name, address, where the ballot should be mailed and your live signature. If you do not include the words "Vote by Mail Ballot" your request will be considered for an absentee ballot and subject to those requirements.

Completed Vote by Mail Applications and/or letters are being received by the Town Clerk's Office. If you would like to vote by mail, please make sure your application is completed in its entirety.

- **You MUST sign your own application. Unsigned applications cannot be accepted. We have to have a signature before sending you a ballot.**
- **Voters must request their OWN ballot; family members cannot request a vote by mail ballot for another family member.**
- PLEASE PROVIDE A CONTACT DAYTIME PHONE NUMBER. This will make our job easier in contacting voters from whom we need more information.
- If you mail your Vote by Mail Ballot back and it is accepted by the local election office, then your ballot is considered to be cast and you cannot vote again either in person early or on election day.

If any information is missing, we will have to contact you before we can process your application, which will delay receiving your ballot by mail. This is a new voting process in Massachusetts. If you have any questions, please contact the Town Clerk's office at 781-961-0901. Thank you!

2. **Deliver** your application to us by mail at: Town Clerk's Office, 41 South Main Street, Randolph, MA 02368 (or drop in the silver payment box out front of Town Hall); by email at: clerk@randolph-ma.gov or by fax at: (781) 961-0919
3. **Vote** when your ballot arrives;
4. **Return** your ballot either in person to Town Hall, mail it to Town Hall or leave it in the ballot drop box at Town Hall

Vote by Mail Ballots sent by the Town of Randolph may be returned to the Town Clerk's Office or placed in the Official Drop Box in front of Town Hall **by 8 pm on Tuesday, Sept 6th. Please Note:** Ballots received from other communities MUST be returned to the community they were requested from. Randolph cannot accept ballots for any other community.

Please DO NOT return your completed ballot to your voting location! Completed ballots need to be received back in the Town Clerk's Office (41 South Main Street) by **8 pm on September 6th.** Ballots received after 8 pm on September 6th, either through the mail or in person **will NOT be accepted**, so please plan accordingly.

Ballots must be sealed in the manila ballot envelope provided and the voter must sign their name on the signature line on the outside of the envelope. **Ballots received that are not in the manila envelope or are missing a signature cannot be accepted.** When returning your ballot to the Town Clerk's Office, the white envelope only will be opened to verify the manila inner envelope is present and signed.

PLEASE NOTE: Once a completed vote by mail ballot is received in the Town Clerk's Office, a voter is not allowed to vote in person either on Election Day or during In Person Early Voting.
