

**BSR QUEENS DANCE CREW
SPONSOR LETTER**

BSR Queens is a competitive dance crew dedicated to providing children with a safe space to express themselves through dance, all while teaching them teamwork, respect, and self-confidence. Coached by Kassandra Rateau, Sophia Haynes-Cardwell, and LaRome Strobhart, BSR Queens was established in September of 2023. The dancers range from ages 7 to 12 years old. BSR Queens is a Collaboration team with dancers from BCity Reps Dance Studio Brockton Ma, Stajez Cultural Arts Center Randolph Ma., and Lil Romans Dance Crew Boston Ma. As local dance companies, we perform at many community events, local shows, competitions, charity, college events, and many more.

This year, nine of our dancers were selected to compete in the Junior category of the USA Hip Hop International Dance Competition in Los Angeles, CA from April 5, 2024- April 7, 2024, and placed Top 5 in the USA! BSR Queens joins TEAM USA to compete at the World Hip Hop International Dance Competition in Phoenix, Arizona in August! Hip Hop International is the NUMBER 1 Hip Hop Dance Competition in America. We will be representing not only our team and our brand, but also the state of Massachusetts, and the USA.

**For additional information about Hip Hop International, please check out their website at
www.hiphopinternational.com.**

BSR Queens have been working so hard all year round. This is an incredible opportunity for them to further achieve their dreams and be a part of a once in a lifetime experience! Unfortunately, this competition requires our dancers to pay high travel and accommodation costs, which includes 9-night stay in Phoenix, Arizona from August 2nd, 2024 – August 11th, 2024, roundtrip airfare, competition fees, and competition gear. We would genuinely appreciate it if you could help us make this dream happen by donating whatever you can. Every little bit helps.

**In recognition of your gold and silver sponsorship, we will showcase your logo on all flyers, posters,
and provide advertisements at all future BSR Queens Events for the 2024-2025 year.**
