

BSR Queens to Represent USA at World Hip Hop International Dance Competition Olympics of Hip Hop

[Randolph, Ma -July 16, 2024] – BSR Queens, a dynamic competitive dance crew based in Massachusetts, is thrilled to announce their participation in the upcoming World Hip Hop International Dance Competition in Phoenix, Arizona. Established in September 2023 and based at the Stajez Cultural Arts Center, BSR Queens has quickly become a beacon for young dancers aged 7 to 12, fostering creativity, teamwork, and confidence under the guidance of coaches Cassandra Rateau, Sophia Haynes-Cardwell, and LaRome Strobhart.

BSR Queens operates as a collaborative effort among dancers from BCity Reps Dance Crew, Stajez Cultural Arts Center, and Lil Romans Dance Crew, showcasing their talents at numerous community events, local shows, competitions, and charity functions. Most notably, nine dancers from BSR Queens recently excelled at the USA Hip Hop International Dance Competition in Los Angeles, ranking Top 5 in their category. This outstanding achievement has earned them a coveted spot on Team USA for the World Hip Hop International Dance Competition.

"This opportunity to represent our team, our state, and our country on the global stage is a dream come true," said Coach Sophia, expressing gratitude for the community's support. "It's a testament to the dedication and hard work of our dancers throughout the year."

However, participation in such a prestigious event requires significant financial support for travel, accommodation, competition fees, and gear for nine dancers and two coaches. BSR Queens aims to raise \$37,000 to cover these expenses, and they invite the community to contribute generously. Every donation, whether big or small, will make a meaningful impact in supporting these young dancers' aspirations.
