

# The Town of Randolph seeks public input on...

The Town of Randolph is developing a group electricity buying program for residents and business owners.

The program will offer **new choices, stable prices**, and the **potential to save** compared with National Grid, though savings cannot be guaranteed.

## Learn more at a virtual information session:

**Date/time:** **Wednesday, January 14, 2026, 6:00 PM**

**Zoom link:** <https://us02web.zoom.us/j/84462177182>

**Meeting ID:** **844 6217 7182**

*Live interpreting in Haitian Creole and Vietnamese will be available during the presentation.*

**Public comments accepted January 14 - February 13.**
