## **FOR IMMEDIATE RELEASE**

**January 8, 2026**

### **Comments sought on plan for Randolph electricity aggregation program**

RANDOLPH, MA. The Town of Randolph is developing a consumer-friendly electricity program called Randolph Community Electricity. The program is an electricity aggregation, which is a group electricity buying program for Randolph residents and businesses. Randolph Community Electricity will change the price that National Grid uses to calculate the electricity supply charge on participants' electric bills, but National Grid will continue to deliver electricity to Randolph and handle billing. The program will provide long-term, stable electricity supply prices, new choices, and the potential for savings compared with National Grid's Basic Service prices, though savings cannot be guaranteed.

Before launching the program, the Town must develop an Aggregation Plan and submit it to state regulators for review and approval. To ensure the public has an opportunity to be a part of developing this program, the Town is making its draft Aggregation Plan available for review and comment before beginning that regulatory review process.

The draft Aggregation Plan for Randolph Community Electricity will be available for public review and comment from January 14 until February 13, 2026. Those interested in reviewing the Plan can download it from the Town of Randolph website at [Randolph-MA.gov/840/Municipal-Aggregation](http://Randolph-MA.gov/840/Municipal-Aggregation) or obtain hard copies from the Town Clerk's office. Randolph residents and business owners are encouraged to review the draft Plan and submit written comments via email to [townmanager@randolph-ma.gov](mailto:townmanager@randolph-ma.gov) or via US Mail to the Office of the Town Manager, 41 South Main Street, Randolph, MA 02368. Comments sent by mail must be received (not postmarked) by the end of the comment period in order to be addressed.

An overview of the draft Randolph Community Electricity Aggregation Plan will be presented via Zoom at 6:00 PM on February 14, 2026. Details on how to participate are below:

Date/Time: Wednesday, January 14, 2026, 6:00 PM  
Zoom link: <https://us02web.zoom.us/j/84462177182>  
Meeting ID: 844 6217 7182

Live interpretation will be available during the meeting in Haitian Creole and Vietnamese.

For additional information about Randolph Community Electricity, please visit the program website at [RandolphCommunityElectricity.com](http://RandolphCommunityElectricity.com) or call customer support with the Town's program consultants at 833-222-4329.
