

ATTENTION RANDOLPH FAMILIES IN NEED OF CHILDCARE FUNDING ASSISTANCE

Bailey Boyd Associates, in conjunction with the Town of Randolph is planning to apply for childcare funding assistance for low-moderate income residents through a Community Development Block Grant from the Massachusetts Department of Housing & Community Development. The program, if funded, would provide subsidies of up to \$6,000 per child, aged 0-13 and 16 with a disability. Funds are paid directly to a childcare provider when enrolled in a licensed program, in an effort to assist families in seeking or maintaining employment. If you or someone you know could benefit from this program please complete this form and return it to the address below. If funding is secured, all those who have submitted their information will be provided with an application to participate.
